Special service keychain

A keychain that can be presented to a volunteer who goes above and beyond to help at events, rallies, online events, and behind the scenes assistance, member service that goes above and beyond

It will be awarded by a board member at an event.

The board member may award more than one person at an event.

The choice(s) of the board member may be made in cooperation with the rally host(s) and is intended to recognize others besides the hosts who helped make the event outstanding.

Rally hosts are not eligible for this award.

This keychain would be available only as an award given at an event or mailed if an online event.

On the Move- work mobile (in a vehicle that could move) or portable (away from home but not capable of moving -i.e., set up at a table, or in RV plugged into pedestal). Make 10 contacts (4 if also summit on air). Send your log for the “on the move certificate”.

Mover and Shaker -Do 5 mobile/portable locations and earn the mover and shaker certificate.

Meeting attendance

If you attend 30 meetings a year you qualify for the attendance certificate. If you attend 52 meetings in a year you get a perfect attendance certificate.

Meetings available are weekly Zoom meetings=52, board meetings =12, rally member meeting (if separate from normal zoom =2.

Will run from Jan 1 to December 31.

May earn each year.

Most times checked into a net

Separate counts will be kept for 20 meters, 40 meters, Western, & EchoLink nets.

Each time record is broken, a certificate will be issued. For ties both will get certificates. Michelle is already checking weekly for NCS with most check-ins and has a spreadsheet to follow. Will start after board approval.

Check- ins from most locations.

NCS should record the location (at least the state) of check-ins. This is easy to do by just typing over the state in Netlogger. Each time record is broken, a certificate will be issued. If a member thinks they have broken the record, they can apply by sending dates and locations to the committee for review.

Easy, fun, short time certificates

Thanksgiving

During Thanksgiving week (Sunday before to Friday after)... check in 5 RVRN nets and tell something you're thankful for as part of your report. Each check-in you must state a different item.

For Technicians, check into any RVRN EchoLink net in November and tell 2 things you're thankful for as part of your report.

Christmas

Check into 5 nets around Christmas (you have 12 days December 19 to December 30) and report on a gift given or received that is memorable for you. Please use a different story each time.

For Technicians, check into 2 RVRN EchoLink nets in December report on a gift given or received that is memorable for you. Please use a different story each time.

NCS Awards

NCS pins

NCS would receive a pin once they have hosted 5 RVRN nets. Then 25, 50, & 100.

NCS must still be an NCS with RVRN to receive the pins.

Most check-ins on the net.

Certificate given to NCS who has the most check-ins on their net.

Certificate will be presented each time record is broken.

Each of the RVRN nets is separate category (20M, Early & Western 40M, EchoLink).

Listed on the certificate will be the number of check-ins, the net (20-meter, 40 meter, western or EchoLink), and the date.
